

Peaches United – Founder's Circle Agreement

Thank you for your interest in joining the Peaches United Founder's Circle. This agreement outlines the spirit of our collaboration, the roles we are building for, and the Peaches Coin–based rewards that recognize your contribution. This is not a legal partnership, employment contract, or equity offer. You remain an independent contributor, and Daniel Adams retains 100% ownership of Peaches United.

1. Mission

Peaches United exists to make kindness contagious through stories, music, and technology. Founder's Circle contributors help design, launch, and grow the Peaches ecosystem, including the Peaches App, Peaches Coin utilities, kindness campaigns, and community programs.

2. Core Roles

Role	Focus Area
Tech & Platform Lead	App MVP, website, Peaches Coin utilities
Creative / Media Producer	Video edits, graphics, branding assets
Marketing & Community Lead	Campaigns, partnerships, user growth
Operations / Admin Assistant	Coordination, docs, crowdfunding support

3. Peaches Coin Rewards & Vesting

Each Founder's Circle contributor is allocated a Peaches Coin reward pool tied to their role and milestone contributions. Coin rewards are not guaranteed and may be adjusted by mutual agreement as the project evolves. Unless otherwise agreed in writing, Peaches Coin allocations vest over 12 months (25% every 3 months) from the agreed start date, with milestone bonuses granted upon completion of specific deliverables. See Appendix A – Roles & Vesting for an overview of typical ranges and milestones.

4. Independent Contributor Status

You are joining as an independent contributor, not an employee, partner, or co-owner. You are responsible for your own taxes and compliance in your local jurisdiction. Nothing in this agreement grants you equity, voting rights, or legal ownership in Peaches United.

5. Term & Exit

This collaboration begins on the Start Date below and continues while both sides feel the relationship is positive and aligned with the mission. Either side may pause or end the collaboration at any time with written notice (email is sufficient). Unvested Peaches Coin allocations at the time of exit may be adjusted or cancelled at Daniel Adams' discretion.

6. Confidentiality & Respect

We agree to treat each other with respect and to keep any non-public project details confidential, unless we both agree to share them publicly as part of Peaches United storytelling or marketing.

7. Signatures

By signing below, we confirm our intention to collaborate in good faith within the spirit of this agreement.

Contributor Name: _____

Signature: _____

Date: _____

Daniel Adams, Founder – Peaches United
