PEACHES
UNITED

Founder’s Circle Invitation

Dear Friend,

You are personally invited to join the Peaches United Founder’s Circle — a small, mission-driven group helping to build a global kindness network.

Peaches United is a heart project born from a simple idea: use stories, songs, and technology to make kindness contagious. With the Peaches App, Peaches Coin, and community projects, we want to reward everyday acts of kindness and turn them into a movement.

As a potential Founder’s Circle member, you are being invited because of your character, your creativity, and your willingness to build something that goes beyond yourself.

Inside the Founder’s Circle you may contribute in areas such as:
• Tech & product (app, platform, integrations)
• Media & creative (video, graphics, music)
• Marketing & community (growth, campaigns, partnerships)
• Operations & support (coordination, admin, crowdfunding)

Enclosed you’ll find:
• The Founder’s Circle Agreement
• Appendix A – Roles & Vesting (overview)
These documents outline how Peaches Coin rewards, milestones, and expectations work. There is no equity or legal partnership being offered — this is a values-based collaboration rooted in trust, clarity, and shared mission.

If this invitation resonates with you, please:
1. Read the agreement and Appendix A.
2. Sign and return the agreement.
3. Complete the short application form on the Founder’s Circle page so we have your details on file.

Thank you for considering this invitation. Whether or not you join in an official capacity, your kindness and support already mean a great deal.

With gratitude,

Daniel Adams
Founder – Peaches United
